[1] Data is computed. Each ratio represents fall semester full-time student equivalents divided by the number of full-time faculty equivalents computed from the institutions' CBM008. For purposes of these computations, institutional fall semester totals of student credit hours divided by 15 were used as the measure of full-time equivalents.

[2] Due to the partnership between the University of Texas at Brownsville and Texas Southmost College, reporting anomalies have occurred.

The Nursing Scholarship Programs provide financial assistance to students in programs of study as registered nurses or vocational nurses. Both financial need and academic performance are considered in selecting recipients. Awards may not exceed the student's financial need or the program maximum, whichever is less. Figures reflect activities in the following scholarship programs: Program for Rural Professional Students, Program for Rural Vocational Students, General Program for Vocational Nursing Scholarships, Program for Minority Professional Students, Program for Minority Vocational Students, Program for Rural BSN or Graduate Students, and the Program for LVN's Studying to Become RN's. In these statistics, Lamar University-Orange and Lamar University-Port Arthur are included in the community college figures.
